Senoma Carries Away Guests Who Are Full of Praise For All the Isles

ONLY A HALF-DOZEN AWAIT DEPARTURE

Usual Picturesque Send-Off At Wharf As Lawmakers Say Farewell

Seventeen days of splendid hospitality in the Hawnian Islands have all last was a luncheon by Dr. H. too swiftly flown for the great congressional party, most of the members Representative and Mrs. Brown. A visit of which are now on the ocean, aboard to the scene of salvage operations of bound for San Francisco. They are probably finding the restful life on shipboard somewhat different from their yesterday afternoon. streauous tripping from island to island and from one entertainment and unpleasant.

Away At Twilight

took place last evening in the Sonoma, Hold Reception Tomorrow which got away at twilight, her going so enjoyable for the visitors. The Ha-walian band was in attendance, as it had been in attendance at the getting away of the Wilhelmina with a small-

er namenger list on the morning before. The flower wealth of Oahu was again drawn on to decorate the senators and their wives, and the representatives and their wives, nor was there any sear city of blossoms on account of the de mand for the perfumed buds on Wed-

nesday. Friends Say Parewell The decks of the Sonoma presented tics, as much as the light would perthirty o'clock, there were hundreds on great deal of attention. the wharf waiting for the prominent Hawaii's 'Potlatch' Multiplication folks who were saying goodbye after two and a half weeks of what many of

One certain note predominated in all derstand and appreciate this Territory, ble. Fone had come here with certain impressions gained by incomplete knowledge, had completed their knowledge along certain lines and were going I way convinced in regard to the facts. Some had opinions when they came here which were materially changed, or abandored altogether as a result of minging with the people of the Islands for seventeen days and see ing for themselves things and conditions about which they could not have learned in any other way. BAITS JOHN D. JR.

(Associated Press by Federal Wireless.)

WASHINGTON, May 21.-John D. Rockefeller, Jr., took the witness stand for the second time yesterday in the inquiry being held by the federal industrial commission into the conditions surrounding the recent strike at the Colorade Fuel and Iron Company's properties in that state.

Rockefeller was subjected to a searching examination by Chairman Walsh of the commission as to the personal attitude of himself and of his father toit the home of Miss Esther Kopke and wards the strikers. The examination presented their supervisor, Moss Frances was not concluded and will be resumed today.

Chairman Walsh has adopted a particularly aggressive attitude towards she will enjoy a much needed west. The Rockefeller, an attitude so offensive to some of the members of the commission that a conference of these members was ng hag fitted with Parisian ivory today held last night to discuss the situation, articles and the directresses and train which they agreed had become intoler-

At this conference a letter addressed eminiscences as all have trained with to Chairman Walsh was drafted in which Miss Lawrence, and many sincere good the chairman was noked to adopt a less wishes were expressed for a pleasant aggressive attitude in future towards. the witnesses called before the commis-
